

Aberdare County School Past Students' Society.

ABERDARE,

20th September, 1911

DEAR SIR OR MADAM,

The Society will hold its Annual Meeting at the School, at 7.45 in the evening of 6th October, 1911, in accordance with rules made 12 months ago. Your presence is especially requested.

From the Agenda you will see the important nature of the business to be transacted.

With regard to the appointment of Officers, your Committee are of opinion that they should be succeeded by an almost entirely new set of Members. New blood should certainly be infused into the Executive. They look upon re-election as not an unlikely possibility when they remember the natural readiness of Past Students to find the easiest way out of a difficulty. Their continuance in office would certainly bring about a general diminution of interest as uncalled for as it would be disastrous. We are authorised to suggest that nominations for any of the offices now falling vacant should be sent to one of us before the Meeting. On the fly leaf the names of the retiring Committee appear, and against each one is placed the name of the district which the Member represents. As far as possible the principle of choosing Members from each part of the School area will be again followed.

The Accounts show a balance in hand of about £5, but the figure cannot be exactly ascertained until just before the Meeting.

Will you please extend a cordial invitation to any Past Students whom you know (whether Members or not) to be present at the Meeting? Those who have just left School will be made doubly welcome.

We are,

Yours faithfully,

IVY LEA

TREVOR J. JONES.
